Hello Leslie,

Please find attached a draft of the RI/FS Work Plan for OU2. We have modified the previously circulated OU2 RI/FS Scoping Document as discussed and I have provided a redline and clean version so that you can see the changes. I have also attached a pdf of the entire report; although there are some formatting issues with the DQO tables, which appear to be cut off. I will circulate a revised version next week.

Have a good weekend.

Regards, Adam
